

## March 202

### *Warami everyone! (Welcome in Darug language)*

Welcome to our March newsletter. As we say hello to autumn and we are wondering where the time has gone! March has been jam-packed with amazing and meaningful things at Morning Buds from the Harmony event to Easter. A special shout out to our amazing families for their active involvement and commitment to our children's learning and development! With everyone's support, our children are undoubtedly becoming confident and active citizens of the world in which they live. Let's take a sec to look back on the fun we've had and get ready for more awesome times ahead!

Kind regards,

Ping and the team.

### **Celebrating Harmony Week 2024:**

We had a fantastic time during our first trip to Kings Park, where families shared their traditional dishes. The food was amazing – we definitely have many talented cooks among us! It was heartwarming to see our community come together to celebrate Harmony

Week, and our kids were thrilled to be part of such a special event.

### **Celebrating our community's diverse cultural events:**

This month, we celebrated Ramadan and Holi with lots of excitement. Our children and staff loved sharing their cultures and learning from each other. **SPECIAL THANKS** to **Rokaya** for bringing in fun crafts to teach our kids about Ramadan – they had a blast!

### Happy Easter!

Our first-ever Easter parade was an absolute success! The hats were so creative and diverse, showing off the unique talents in our children and the community. It was wonderful to see everyone come together for the parade. We also cannot forget the Easter egg hunt – our kids had a great time working together to find the hidden treasures from the Easter Bunny. It was a day filled with fun and laughter for everyone!

### Other important information:

#### Children's jumpers & belongings

As the chill sets in, please remember to send along spare jackets with your child. Kindly label all their belongings, and don't forget to check the jumper baskets in each room to retrieve your child's jacket at the end of the day.

#### Toilet Training:

For our little ones in the process of toilet training, please pack extra underwear, pants, socks, and shoes to be prepared for any accidents that may occur.

**Home Toys:**

We kindly ask that you keep personal toys at home, as bringing them to the centre can limit the variety of exploration and learning opportunities available to the children here.

**No Nut Policy:**

To ensure the safety of all children, our centre maintains a strict no-nut policy. Please refrain from bringing any food items containing nuts, such as peanut butter. Your cooperation in this matter is greatly appreciated.

***Didgurigur (thanking you) for reading!***
