

May 2024

Warami everyone! (Welcome in Darug language)

May was truly a month full of love and joy! We extend our heartfelt gratitude to all the wonderful supermums and grandmas who joined our special Mother's Day event. Celebrating together as a unified Morning Buds family added an extra layer of significance to the occasion. Witnessing our community come together and foster bonds while spreading kindness and affection is truly heartwarming. We're also grateful of everyone's enthusiastic participation in our community library, where the collaborative sharing of books and learning mirrors the collective effort it takes to nurture a fruit-bearing tree. Without delay, let's explore the highlights of May together!

Warm regards,
Ping and the team

Celebrating Mothers Day 2024:

The Mother's Day event was an absolute success, filled with warmth and joy. Thank you to all of our super mothers and grandmothers and they joined us for a delightful afternoon tea and we hope you made many cherishable memories with your loved ones. The highlight of the occasion was undoubtedly the heartfelt efforts of the little ones pampering our mothers, making beautiful bead jewelry and offering relaxing manicures.. It was a time of bonding, laughter, and appreciation, where mothers were truly honored and celebrated for all that they are.

Community Library!

Our neighborhood street library is now officially open to all our fantastic community members! You're welcome to borrow any books and join in by donating your old ones for others to enjoy. Let's come together to learn and grow!

RETURN AND EARN IS BACK!

Exciting news for all! The Return and Earn project is making a comeback, and it's even better this time around! With this initiative, we're looking to raise funds for meaningful events such as donations, acquiring fantastic resources, and organising exciting incursions and excursions for our children. This offers a wonderful opportunity for our kids to learn about responsibility and actively engage in their community and the world around them to create positive impacts. More details on how to get involved will be shared soon. Let's join forces to make a difference together! Stay tuned for updates.

Didgurigur (thanking you) for reading!
